

Everything your veterinarians need—all in one place.

NEVER FACE A CASE ALONE

VIN gives veterinarians insight into complex cases, the latest medicine, and more with a global network of veterinary colleagues and experts.

CONTINUALLY GROW SKILLS

No matter where they are in their journey, VIN offers a variety of resources to help members continue learning throughout their careers.

24/7 ACCESS TO RESOURCES

From case information and formularies to clinical calculators and client handouts, VIN provides everything veterinarians need in one place.

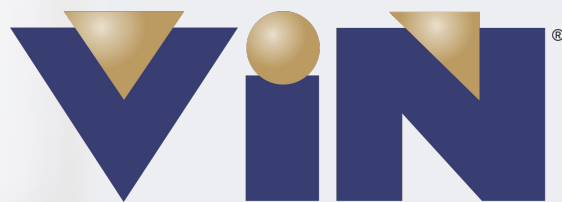

I can't imagine practicing vet med in this day and age without VIN as a constant resource.

VETERINARY INFORMATION NETWORK®

**YOUR PARTNER IN
CLINICAL EXCELLENCE
AND MUCH MORE**

VIN streamlines decision making, empowering veterinarians to:

Find exactly what they need to know when they need it with **VIN Search**, a robust search engine created for veterinarians, by veterinarians®.

Master the art of differential diagnosis with **VINcyclopedia**, an expansive and continually updated online disease and diagnostic textbook.

Confidently prescribe with the VIN **Veterinary Drug Handbook (VVDH)**; referenced doses, dose calculator, drug profiles, and clinical insights.

Gain insights and empathy on complex cases, clients, and life from colleagues and VIN Consultants with lively **Message Board** discussions.

WHILE  VIN Foundation HELPS VETERINARIANS:

Make sense of their student loans with multiple **Student Debt Education** tools and expert help based on their individual loan situation.

Feel supported and understood with **VETS4VETS**, a peer supportive community facilitated by veterinarians and trained support professionals.

NEW! 
**Offering fun and
helpful video tours of
key VIN resources.**
