Everything veterinarians,
support staff, and
practices need to thrive—
all in one place.

*Since 1991, VIN® has been
and always will be —
for veterinarians, by veterinarians.®*

FOR LEADERSHIP

Support your people in practice and beyond by helping them get the most from VIN.

The VIN Enterprise Membership Relations team is here to help **you** help your vets, from early career vets to medical directors, succeed in practice and beyond.

Learn the **value of VIN membership**: let us show your veterinarians how to better leverage VIN resources to streamline their workflow, manage complex cases, and grow in their career.

Contact
enterprisemembership@vin.com
to schedule a time to meet.
Let's explore opportunities
to collaborate!

FOR VETERINARIANS

Get the information, resources, and support you need—all in one place.

With VIN, make medical decisions backed by the latest information, the best resources and tools, and the experience and insights of supportive colleagues from around the world.

From the fully referenced **VVDH formulary app** to the exclusive VIN database, now with AI-enhanced search, VIN has everything a busy vet needs.

Explore all VIN has to offer at
vin.com— and make sure your
colleagues are benefiting from
VIN membership, too!

vin.com | FREE CE/CPD available!

FOR SUPPORT STAFF

Interact, learn, and grow with a global community of veterinary professionals.

Whether caring for patients or clients, being a part of the veterinary support team often means doing a dozen things at once, so you need accurate answers fast. **Veterinary Support Personnel Network™** will help you expand your knowledge, advance your career, and provide exceptional care from the front desk to checkout.
